Good Afternoon,

There are two items coming up for next week I wanted to make sure you were aware of – not sure if you were cc'd

1. Southern Ute Indian Tribes requested a visit to the mine site next week to ICP. This is arranged for next Tuesday.
2. LaPlata County's contractor will be taking samples from the mine adit water on Tuesday at 1700 MDT.

Both above coordinated with the Mine and the R8 RICT and will not impact operations.

Mike
